Digital Art Submission Guidelines (Screen Printing)

Preferred File Format: Adobe Illustrator Version 10.0 or earlier.

Other Acceptable Formats: EPS files, Adobe Acrobat, QuarkXpress Version 6.0 or earlier*, Adobe InDesign Version 2.0*

**A \$30 minimum conversion charge may apply to use of these files due to relinking files, ensuring text hasn't improperly flowed and to ensure accuracy of the file..*

Fonts: When possible please turn all fonts to outlines. Otherwise, please include Macintosh versions of both the printer and screen fonts.

Original Art & Scans: Please include placed graphics. Image resolution should be 300 ppi for art placed at 100% size. Preferred file types are Photoshop, EPS & TIFF. For extremely large process color graphics, please contact Peter Cooper for further details regarding resolution.

Proofs: If possible, please submit an accurate color print (or matchprint).

Color Specifications: Please specify colors (i.e. Pantone spot colors or 4-color process).

Artwork Submission: Files under two megabytes can be e-mailed directly to Peter Cooper at pcooper@decals.net. Larger files should be burned onto a CD and mailed to the attention of Peter Cooper at the address above. We can also download large files from an ftp site, if desired.

Questions and Additional information: Let us know how we can help. Your Customer Service Representative is ready and able to help you through the screen printing process. If you ever have any questions or need assistance please feel to call us or send us an e-mail. We look forward to helping you succeed.
